LEGEND SIMBOLOGÍA

	Wall Tiles Revestimiento		Floor Tiles Pavimento
	High Shade Variation Destonificado		Decor Pieces Sold by m² Decorados vendidos por m²
	Matt Mate		Gloss Brillo
	Semipolished Semipulido		Polished Pulido
	2cm de espesor 2cm thickness		It is not recommend to lay the tiles brickbond (Brick-jointed) halfway. No se recomienda la colocación de trabado a mitad de la pieza.
	Thickness Espesor		ADZ / Anti-slipping floor tiles Pavimento ADZ
	Class Classe		The material is Pre-sealed, so we recom- mend to seal the material once it has been installed and it has been properly cleaned. Black grout (containing carbon or graphite) must not be used with polished glazed porcelain tiles because the pigments could stain the tile surface. El material está pre-sellado, por lo que aconsejamos el sellado del material una vez esté instalado y debidamente limpio. El uso de lechadas / juntas de colocación negras (contienen carbono o grafito) para gres porcelánico pulido es desaconsejable, ya que los pigmentos pueden formar un depósito en la superficie de la baldosa.
	Contac-grip. Anti-slipping surface treatment applied after tile firing. This treatment is subject to material characteristics, colour, quantity and delivery date conditions. Contac-grip. Tratamiento superficial anti- deslizante aplicado después de la cocción. Sujeto a condiciones de modelo, color, cantidad y suministro.
